

***“The mission of Chula Vista
Presbyterian Church
is to spread the Word and share the love
of God in Jesus Christ.”***

At Chula Vista Presbyterian Church, we are a community of believers in Jesus Christ, committed to proclaiming the good news of the gospel; the power of God for salvation to everyone who has faith.

We are a worshipping community. There are three services each Sunday, each with a different personality but the same commitment to preaching the Word of God as revealed in Scripture.

We are a teaching and training community. We take seriously Jesus’ command in Matthew 28 to “teach them to obey everything I have commanded.” We provide educational opportunities for children of all ages, 2 to 92 (and even above). We have Bible studies, Women’s circles, covenant groups, Life groups, special seminars, and other special events to help people grow in their faith through study and fellowship. We want to equip all who come through our doors to be ambassadors for Jesus Christ, faithful disciples who continually grow in their love and devotion to God.

We are a praying community. We believe that one of the primary responsibilities of believers is to humble ourselves and present our cares and concerns before God. We believe that God answers prayers: that God heals, God restores, God sustains and builds up, God transforms us through prayer. (Continued in 1.)

make him known.*

We are a sending community. We want to be a blessing to our community, to our nation, to our world. We are committed to providing opportunities for every member to participate in mission somehow, whether it is expressing compassion through acts of kindness locally; to international mission work; to more formalized theological education to enter into ordained ministry.

We are a joyful community. It is just plain fun to be a part of a community of believers who love the Lord, love one another, and have a good time in fellowship together. There is always room for more if you are new to the area, are not a member of another church, or if you have never been a part of a church, we invite you to take a look around and prayerfully discern whether God is calling you to make this your church home.
